**Leland Adds New Distribution**

DuBois, PA (November 20, 2009) Leland Brake and Wheel, one of North America's leading suppliers of foundation air brake parts announces new distribution.

Jason Gerding, President and Bill Laughlin, Director of Sales are pleased to announce the addition of Kenworth of Buffalo to our OES dealer / distributor family. "Kenworth of Buffalo is the fastest growing premier dealer / distributor in the upstate New York region. They have been in business for over 20 years", says Laughlin. "We are extremely pleased as they will represent our brand well in that marketing area and in their Rochester and Syracuse locations", he adds.

Leland Brake and Wheel Parts, headquartered in DuBois, Pennsylvania is a Marmon Highway Technologies company that distributes foundation brake parts for medium and heavy-duty trucks, trailers and buses. MHT serves original equipment manufacturers, highway transportation companies and the automotive aftermarket with a comprehensive line of products. MHT companies are members of The Marmon Group, an international association of more than 125 business units that operate independently within diverse business sectors and have collective revenues of \$7 billion. The Marmon Group is a Berkshire Hathaway company.
